## ANNOUNCEMENT.

---

The liabilities of the Highlands Nursery, Kawana, North Carolina, having been satisfied in full, the entire property including the largest stock of well-grown hardy native American Plants in existence, has been re-deeded to Mr. Harlan P. Kelsey, the proprietor, by his late assignee, Mr. Thomas F. Parker.

Mr. Kelsey has opened an office at 1123 Tremont Building, Boston, with every facility for handling business to his clients' best advantage, and to which address all correspondence should be sent.

Stock will be shipped direct from Highlands Nursery, in Western North Carolina.

As heretofore a specialty will be made of growing and collecting Rhododendrons, Azaleas, Kalmias, Hemlocks and plants of this class, in wholesale quantities,—the leading Parks, Cemeteries and Nurseries of America having been satisfactorily supplied in the past with hundreds of thousands of plants.

Mr. Kelsey is well-known as the introducer and supplier of the universally used and popular decorative greens
